

## WHAT IS DOING AT ATHENS

The past week witnessed a decided spurt in development work on the various operating leases in the Athens Mining district and considerable more depth was attained in the most of them.

The week's developments are of a strong and encouraging nature and every leaser in camp, as well as the owners of the leading properties are in a very hopeful frame of mind regarding the outlook for the district to make good.

The Original Strike lease the vein shows up strong for a width of two feet. Work was started Monday to put in timbers for the shaft which is down about ten feet. The lead is well defined in the bottom and is straightening up with a pitch of 35 degrees south.

On the O. B. Ney lease George Lorenzen and E. Anderson, recent arrivals in camp, from Tonopah, have purchased a half interest in the lease and have started work.

At the McNamara-Yover lease the past week has been put in prospecting block 2 on the Sorrel Top claim east of the Ney lease and has panned float that gave estimated pinnings of \$10 to \$30.

The Ward lease, owned by a coterie of Tonopah people, has done a large amount of prospecting during the past week. A 12-foot hole and numerous trenches are in evidence on the block as a result of their activities.

At the Hall and Roberts lease good progress was made last week and the shaft is now down 22 feet, following the footwall of the vein.

Block 2 on the Sorrel Top No. 1 claim, owned by Bokken and Gilham, is down 14 feet in a vertical shaft, which is designed to cut the vein at 30 to 35 feet on its dip. Several stringers of ore have been cut in going down which prospect quite well.

Manager Fleming of the Booth-Fleming lease on Block 3 reports affairs moving along nicely in the bottom of the Booth shaft and is getting very fair pinnings from the vein on which he is sinking. Owing to lack of timbers they have been somewhat handicapped during the past ten days in getting depth, but there will be a different story to tell during the weeks to come.

The shaft of the Fogle-Grant lease reached a depth of 40 feet last Saturday and Monday they started a west drift to try and locate the pay shoot. The quartz vein is almost the width of the shaft at the bottom and looks fine.

On the Fulkerson, Stevenson and Auxier lease they are sinking the shaft to encounter the big vein on its dip on Sorrel Top No. 2 claim. The leasers have entered the foot wall side of the vein at 22 feet and will continue to go down until the hanging wall is found.

The Bonanza's ruling and binding plant is still running. Bring in your orders.

## REGISTER AT ONCE, YOUR VOTE IS NEEDED AT THE PRIMARIES

VOTERS WHO EXPECT TO EXERCISE THEIR RIGHT OF VOTING AT THE PRIMARIES IN THE SELECTION OF CANDIDATES, AND THOSE WHO DESIRE TO VOTE AT THE GENERAL ELECTION IN NOVEMBER ARE WARNED THAT THEY CANNOT DO SO UNLESS THEIR NAMES APPEAR ON THE OFFICIAL REGISTER FOR THE PRECINCT IN WHICH THEY EXPECT TO VOTE. THE MATTER SHOULD NOT BE LEFT TO GUESSWORK AND IT SHOULD NOT BE DELAYED. BUT A SHORT TIME REMAINS TO REGISTER FOR THE PRIMARIES. IS YOUR NAME ON THE LIST?

## EXONERATED BY CORONER'S JURY

A telephone message was received from Deputy Sheriff Tom Marshall yesterday at Bonnie Clare stating that the Mexican, Dolores Espinosa, who was shot by a Greek early Tuesday morning, had been buried, and that a coroner's jury had exonerated the Greek, therefore Marshall comes back without any prisoner.

The latest details of the affair show that the Mexican was the aggressor throughout the trouble. He had evidently been picking on the Greek and followed him into his house and shot at him before the Greek returned the fire.

The Greek, who received a painful wound in the leg, was taken to the railroad hospital at Las Vegas and is reported to be doing nicely.

Deputy Sheriff Marshall arrived in Goldfield last night and will reach Tonopah this morning.

## PERSONAL MENTION

District Attorney Cleve Baker returned yesterday from a trip to Reno.

William L. Hacher of Round Mountain, one of the democratic candidates for the assembly, is in Tonopah and registered at the Mizpah.

Louie Picotte will be a passenger on this morning's train for California, where he will visit for some time. It is rumored that he will return with a housekeeper. May be.

J. J. Morey, cashier of the Pajaro Valley National bank at Watsonville, Cal., is in Tonopah for a few days' visit and is the guest of F. A. Burnham.

Dave Holland, of the Tonopah Liquor company, has returned from Lone Pine Cal., where he has been looking after his farming interests. Giber, Ross, candidate for lieutenant governor before the democratic primaries, returned yesterday from a three weeks' visit to the northern part of the state. He says that in that section politics are beginning to warm up. He believes his chances are good.

## BELIEVES THAT HE WILL SECURE NOMINATION

Fred B. Balzar, who is before the republican primaries seeking the nomination for state treasurer, arrived in Tonopah yesterday from Goldfield. He will leave on the train this morning for Yerington, where he has important meetings. He had hoped to be present at the republican meeting in Tonopah tonight but previous engagements preclude that pleasure.

Mr. Balzar is making a strong fight for the position to which he aspires and in all the places he has so far visited he has received splendid encouragement. Mr. Balzar is a native of Nevada and has lived in Esmeralda county since 1882, and since grown to manhood he has occupied several public positions of honor and trust. He is strong with the laboring classes with whom he has affiliated for many years and the republican members of the railroad and other unions will support him to a man. He is making a strong, clean fight and will no doubt get the republican endorsement for state treasurer.

## WESTERN PACIFIC SENDS OUT ITS FIRST TRAIN

By Associated Press. SAN FRANCISCO, August 17.—The first regular passenger train over run over the Western Pacific railroad left Oakland tonight for Salt Lake with a party of railroad officials and newspaper men. The train is due in Salt Lake Friday morning and will become part of the first westbound train which will start for Oakland Saturday morning.

## REGISTRATIONS COMING SLOWLY

Yesterday the books of Registration Officer Atkinson showed that 283 voters had registered for the primary election in Tonopah. They are divided as follows. First precinct, 73; second precinct, 67; third precinct, 79; fourth precinct 66.

For the regular election the great register shows that 457 are already on the list, divided as follows.

First precinct, 116; second precinct, 100; third precinct, 131; Fourth precinct, 110.

The registration for the Tonopah primaries is far below what it should be at this time, three days before the closing of the books. There are several hundred more names that should be entered and unless the parties want to lose their votes they must get a move on themselves. The registration books will close at 9 o'clock on the night of the 20th inst.

## TRAVEL BY AUTO FROM OKLAHOMA

An auto party, made up of a family named Hall passed through Tonopah yesterday afternoon en route to Los Angeles by way of Oasis and Bishop. They came from Fairview, Oklahoma, having left that place four weeks ago today, and in that time have traveled 3680 miles without a mishap. From Los Angeles they will travel northward through California and expect in ten or twelve days to land at Lake Tahoe.

Mr. Hall, the head of the family, is a typical sample of the prosperous western farmer. He went into the Oklahoma county with the "boomers" twenty-one years ago last April and has seen that country grow from a virtual desert to one of the garden spots of the world and he has not failed to take advantage of the opportunities that have presented themselves to him in a worldly way. Today he is enjoying the fruits of his labors.
